

Cadet Identification Policy -

2020 European Cadet Championships and GB Futures International Training Camp

Introduction

The purpose of this document is to detail the process and procedure to be identified for the GB Cadet Futures squad in line with the GB Cadet strategy that has been developed in conjunction and supported by all four Home Nations. This policy will also include identification for the European Cadet Championship (ECC) and the GB Cadet Futures International Training Camp.

In order to prepare athletes with high technical levels and the desired attitude and behaviours to perform in Junior and Senior age groups, British Judo will invest in a 'Futures' programme that will take a team of 10 Cadet athletes and 2 coaches to an international camp on an annual basis.

- Develop technical proficiency in the Trademarks: *Throw for Ippon & Win in Newaza*.
- Develop professional performance behaviours for Junior & Senior success.

The athletes must be born between 2003 (maximum 17 years old) and 2005 (minimum 15 years old during the 2020 calendar year).

The GB Futures delegation will be based on available WCPP funding, the team delegation will normally be 10 athletes, 2 identified club coaches and 3 staff.

3. Identification Criteria

1. Technical Performance in Competition & Competition Results
2. Performance Behaviours

3.1 Technical Performance in Competition & Competition Results

The criteria to be invited to the GB Trademark Camps is stated below (achieved by 6th May 2020):

1. Member of Home Nation Cadet Programme.
2. Top 5 in weight category on the cadet ID list ranking.

Each Home Nation will be able to invite up to 5 additional athletes at their discretion based upon; previous performance against the trademarks, previous injury, engagement and performance in HN training programmes.

ECC & GB Futures Training Camp

To be considered for identification athletes should meet the criteria below (by 6th May for ECC and by 17th August for GB Futures):

An athlete will be identified for the GB Team delegation if they achieve:

- Member of Home Nation Cadet Programme
- Top 5 in Weight Category on the Cadet ID list ranking
- 1 international top 7 placing (*and which includes a minimum of 2 wins in 1 day*) at a Cadet ID international competition.

An athlete will be considered for identification for the GB Team delegation if they achieve:

- Member of Home Nation Cadet Programme
- Top 5 in Weight Category on the Cadet ID list ranking
- A minimum of 2 contest wins in 1 day at a Cadet ID international competition.

In the case where multiple athletes in the same weight category meet the above requirements, the Identification Panel will consider each athlete against the whole of the criteria laid out in section 3.1 and 3.2. The Identification Panel will be entitled to make a decision in such cases on the criteria in both 3.1 and 3.2 in its absolute discretion.

The Identification Panel reserves the right to consider any athlete who has not met the criteria in section 3.2 for GB Futures or ECC. This should only occur when the Identification Panel in its absolute discretion believes there is good reason for doing so. These include but are not limited to:

1. Unable to compete in Cadet ID competition due to injury.
2. Achieving placing at Cadet ID international competition in previous calendar year
3. Achieving placing at Cadet European Cup in current calendar year.

3.2 Performance Behaviours and Additional Factors

Performance behaviours is a subjective element of the identification policy, but it is nonetheless an essential part of an athlete's development and in performance sport and an important factor for the Identification Panel to consider.

In order to perform at the highest level, talented players need to be able to display performance behaviours alongside an excellent technical foundation. A player's performance behaviours will be monitored by the Home Nation Cadet Leads throughout the identification period on the following basis:

- GB Trademark Camp Attendance
- Home Nation programme engagement and attitude during camps.
- Competition/Camp suitability based on an athlete's current experience
- Current weight and the ability to make the fighting weight safely
- Current level of physical fitness and current medical/injury status
- Future potential as a Junior athlete
- Commitment to developing Throw for Ippon and Win in Newaza trademarks in training and competition
- Resilience in challenging environments including randori, conditioning, international competition and training camps
- An athlete's suitability as a team member and/or as an ambassador for the BJA (Note: when considering 'suitability', factors such as behaviour and previous disciplinary record will also be considered)

Home Nation Cadet Leads will endeavour to highlight and discuss with players at the nearest possible opportunity when Performance Behaviours are not to an acceptable standard as part of the monitoring process.

In the case where an athlete is not selected based on Performance Behaviours, the reasoning will be clearly defined and communicated by the Identification Panel to the player. The relevant Home Nation Cadet Lead will create an action plan for the player to work on the identified behaviours for future development.

A person's physical development during the Pre-Cadet and Cadet years is extremely important and therefore would discourage players from cutting weight before competition. Players are encouraged to maintain a healthy diet and physical preparation programme in order to maintain and progress physical capabilities working towards Pathway Framework and Trademarks.

4. ECC and GB Futures Programme Identification Panel & Process

The identification process will use two phases to nominate and confirm athletes for the GB Futures Team attending the Japan training camp; (1) Nomination phase and (2) Identification phase.
