JUNIOR MON GRADE PROMOTION SYLLABUS

Revised edition 1st October 2013

EFFECTIVE 1ST October 2013

INTRODUCTION

This syllabus, effective from 1st October 2013, supersedes all previously published syllabi. All previously taken theory examinations for 7-18 Mon higher than the contest grade are no longer valid.

Within the JudoScotland there are 18 Mon grades. The grades are indicated by the following coloured belts:-

1st Mon	Red + 1 Yellow Tag	10th Mon	Green + 1 Red Tag
2nd Mon	Red + 2 Yellow Tags	11th Mon	Green + 2 Red Tags
3rd Mon	Red + 3 Yellow Tags	12th Mon	Green + 3 Red Tags
4th Mon	Yellow + 1 Red Tag	13th Mon	Blue + 1 Red Tag
5th Mon	Yellow + 2 Red Tags	14th Mon	Blue + 2 Red Tags
6th Mon	Yellow + 3 Red Tags	15th Mon	Blue + 3 Red Tags
7th Mon	Orange + 1 Red Tag	16th Mon	Brown + 1 Red Tag
8th Mon	Orange + 2 Red Tags	17th Mon	Brown + 2 Red Tags
9th Mon	Orange + 3 Red Tags	18th Mon	Brown + 3 Red Tags

Promotion within the Mon grades is based on technical knowledge and understanding, together with Japanese terminology and supplementary knowledge. There is no contest requirement in the Mon Grade syllabus however there is a progressively structured randori element at the higher grades, where at the highest level, and randori is based on open skills.

For grades up to and including 9th Mon, gradings should be completed within the candidate's club and can be examined by the same coach that instructed the candidate.

For 10th Mon and above, gradings may be completed within the club but candidates may also grade at Inter-club, area promotion examinations and at any other event such as a Technical Training course. It is good practice that the examiner should be different from the coach.

With regular study and training, the judoka should be able to complete the syllabus by the age of 16 (the keen judoka may complete it as early as 15 years of age). It is, however, vitally important that all they follow the progressive study of techniques detailed in this syllabus and attempt promotion to next grade at regular intervals.

All judoka are encouraged to take increasing responsibility for their technical development as they progress through the grades and it may be necessary for them to undertake supplementary study and training in addition to that which is available at the judoka's club. Study of the BJA Technical Grading Syllabus (TGS) and other resources will be highly beneficial (see page 6 for further information).

Important Notes:

- 1. Candidates can only be graded one grade at a time. (See Fast Tracking on Page 5 and fast track policy is for exceptional circumstances)**
- 2. Although there is no contest requirement in this promotion syllabus, judoka are encouraged to participate in competition of the appropriate level for their age and experience. There are many competitive opportunities which can be used to supplement the judoka's technical development.**

MINIMUM AGE

The minimum age a judoka may attempt promotion is 8 years of age. There are recommended age bands for each of the grades as detailed in the following pages. Judoka may in consultation with their coach, choose to seek promotion under the Senior Kyu Grade syllabus on reaching 14 years of age.

Important Note:

*Judoka aged 14 and 15 years of age choosing to seek promotion under the Senior Kyu Grade Syllabus are not required to take out senior membership of the JudoScotland. Players are encouraged to seek advice from their coach on whether they should seek promotion under the Senior Kyu Grade Syllabus. **These juniors that opt to hold a senior Kyu grade cannot enter a senior competition for judoka aged 16 and above. Junior judoka of 1st kyu aged 14 can collect promotion points towards their Dan grade in point scoring competitions, but are not able to enter Dan gradings until the age of 15. Age 15 is also the minimum age they can register for promotion to 1st Dan as specified in the Dan Grade Syllabus.***

GRADING LICENSING / ADMINISTRATION

To licence a grading clubs must contact JudoScotland, 14 days before the grading to request a licence. On receipt of this request JudoScotland will issue a grading registration sheet with a unique grading number. The grading registration sheet will have all current licence holders affiliated to that club who are eligible to grade. The grading sheets must be completed in accordance with processing regulations (below) and returned to JudoScotland within 14 days after the grading. There is no fee to licence a grading.

The grading information must be accurate, legible and signed by an individual with the authority to grade; examiners/coaches licence number or examining number must also be quoted (details shown below).

All grade conversions must be included on licensed grading sheets.

JudoScotland will process gradings within 14 working days if information is accurate. If this cannot be achieved JudoScotland will contact the coach/examiner to make alternative arrangements.

All candidates must hold current JudoScotland Individual Membership: this membership number will be recorded on the Grading Registration Sheet

GRADING FEES

The JudoScotland charges a grading fee of £8.50 for all gradings (including transfers). This fee is used for the administration and development of the JudoScotland's grading schemes and must be forwarded to the JudoScotland along with the completed Grade Registration Sheet.

The JudoScotland recognises that organisers of gradings may require to add a surcharge to the £8.50 grading fee to cover additional costs such as venue hire, examiner's expenses etc. The JudoScotland recommends a maximum surcharge of £5.00 but recognises that grading organisers may charge more or less depending on circumstances. Any surcharge should be retained by the grading organiser and not sent to the JudoScotland.

Candidates may be promoted one Mon every 3 calendar months.

Novice up to and including 6th Mon — ages 11-15

Candidates are limited to one promotion every 2 calendar months.

JUDO SCOTLAND

JUNIOR MON GRADE PROMOTION SYLLABUS

A month is a calendar month e.g. a candidate can be examined any date in January and then any date in March. This means a candidate could theoretically be promoted 6 times per year, following a learning pathway of continuous progress, however, it is anticipated they would go up 1 belt colour per year. There is no limit to the number of attempts to gain promotion.

NOTES ON THE TECHNICAL REQUIREMENTS

For promotion to all grades, candidates are required to know the common English names and meaning of all Japanese terminology used for the grade and, where appropriate, must be able to discuss with the examiner the reasons for their choice of technique, grip etc. Examination of Japanese terminology should be appropriate to the age and grade of candidate.

Techniques must be demonstrated in an appropriate practical situation and it is intended that the exam process should become greater in depth as the candidate progresses through the grades and acquires greater knowledge and understanding of Judo.

Some terminology has been included in the earlier grades to ensure that the candidate is conversant with, for example, the main terms used in refereeing.

From 7th Mon (juniors) and above there is no specific Ukemi requirement. The candidate may, however, be required to act as Uke and must be able to demonstrate the level of Ukemi required by the grade.

All demonstrations will be presented in a formal manner either static or on the move to the candidate's preferred side. All techniques will be demonstrated once only. The examiner may ask for further demonstrations and will also test that the candidate understands the key principles involved in the application of the technique, Kuzushi (balance breaking), Tsukuri (positioning), Kake (application of force), Kime (control). Techniques and applications must be demonstrated in an appropriate practical situation that includes attacking opportunity, best grip and movement.

The examiner may decide to test the candidate on any items from any of the previous grades already passed.

Candidates for examination must wear clean judogi and maintain a high standard of personal hygiene. Hair must be secured back, if it is long enough to impede their partner. No metallic or hard object including body piercings may be worn – rings must be removed, it is not sufficient to cover them with adhesive tape.

Candidates are to be conversant with the contest rules in particular, prohibited acts.

Male and female candidates may be examined together, as can candidates of different ages and physique.

Candidates achieving 18th Mon can convert to 1st Kyu after the age of 14. They must have a record of contest activity on at least 2 occasions within the last 24 months recorded in their JudoScotland record book under "Record of Judo Events Attended" (signed by BJA or JudoScotland official) before entering their first competitive Dan grading. Also, they must be a minimum age of 15 to enter the Dan grading and to be promoted. SEs will carry out random checks of record books during the grading booking in process.

Although there are no specified requirements, the candidate must understand and observe the simple regulations and terminology governing randori, including the correct method for signalling submission.

RECOMMENDED COMPETITION / RANDORI PROGRAMME

0-3 Mon

Judoka should be proficient in light randori / nage komi / ukemi sufficient to support entry into red belt events. Enters one red belt event or closed club competition- Level 1 (this can just be paring of players for informal contest with level 2 coach refereeing).

Judoka is competing and participating in a level of randori that would prepare them to enter their first competitive Dan grading.

QUALITY CONTROL

Club gradings may be subject to visits from the Area Director of Examiners (ADofE) to provide support and ensure a consistent application of the examination criteria. These visits will be selected on a random basis as a means of sampling a percentage of the clubs within the area. The ADofE may appoint other authorised officials to carry out this responsibility.

Areas and Club gradings may be visited by the National Promotions and Grading Manager (NPGM), again to provide support and ensure consistent application of the exam criteria.

PERSONAL CHOICE

For each grade there is an element of personal choice. This element has been included to encourage originality and to assist the judoka in developing a personal style which is suitable for their physique and personality.

TERMINOLOGY AND SUPPLEMENTARY KNOWLEDGE

There is a limited amount of supplementary knowledge required; the main emphasis is on the use of the correct Japanese terminology. For promotion to all grades, candidates are required to know the common English names and meaning of all Japanese terminology used for the grade and, where appropriate, must be able to discuss with the examiner the reasons for their choice of technique, grip etc.

CONVERSION TO THE SENIOR KYU GRADE SYLLABUS

Judoka of 14 years of age and above who hold a junior (Mon) grade may, if they wish, convert to the Senior (Kyu) grade. The following table will be used for all junior (Mon) grade conversions. It may appear that the junior is converting to a lower level of examination; however this is to allow for a period of assimilation into the Kyu grade system. Judoka holding a junior (Mon) grade will be converted to the senior (Kyu) grade on reaching 16 years of age.

<i>Mon Grade</i>	<i>Kyu Grade</i>
1st Mon	Novice
2nd Mon	Novice
3rd Mon	to 6th Kyu

17th Mon	to 2nd Kyu
18th Mon	to 1st Kyu

CANDIDATES FROM IJF/EJU MEMBER ORGANISATIONS

It is acknowledged that there are many Judoka from foreign countries residing in the UK and joining the JudoScotland. If they hold a grade in an association that is a member of the International Judo Federation (IJF) or European Judo Union (EJU), then that grade is accepted by the JudoScotland. Examiners are to convert the colour belt from the original association to the equivalent JudoScotland grade e.g. An IJF Mon Blue belt would become a JudoScotland 15th Mon. The normal grade registration fee of £8.50 applies.

TRANSFER OF GRADES FROM NON JUDO SCOTLAND ORGANISATIONS

In a similar way to the process for recognising IJF/EJU judoka, candidates from non JudoScotland organisations (including independent organisations), that have joined the JudoScotland may convert from the colour held in the previous organisation to the colour appropriate to the JudoScotland grade. However they must undertake the examination of all the previous grades and this can be done by examining a percentage of the syllabus deemed suitable by the examiner. If the examiner is satisfied that the candidate has demonstrated the knowledge and understanding appropriate to the grade being converted he can add the candidates name to the Grade Registration Sheet annotating the "From Grade" block as initials of previous organisation e.g. British Judo Council (BJC). The normal grade registration fee of £8.50 applies.

FAST TRACKING

Judoka taking up the sport at the of 12 years of age and above who have no record of grade may be 'Fast Tracked' in their first year of JudoScotland membership, a maximum of three Mon grades in each of their first two gradings i.e. Novice to 3rd Mon and 3rd Mon to 6th Mon.

Any judoka that have no record of grade for reasons such as lost record book, achieved grade prior to JudoScotland computer records, returning to judo after long absence etc, may be assessed by the ADofE in order to re-join the grading scheme at the appropriate grade commensurate with prior technical knowledge. The ADofE may appoint an authorised official to carry out this responsibility.

SPECIAL NEEDS (SN) GRADINGS, INCLUDING VISUALLY IMPAIRED – (VI)

The JudoScotland understands that all judoka have a personal journey to make through the grading system. The purpose of the grading syllabus is to help coaches provide a safe, fun and stimulating learning environment where all people with special needs feel confident and motivated to reach their individual potential as a judoka. SN/VI judoka may choose in consultation with their coach to take part on this mainstream syllabi for Mon and Kyu grades. If they decide that the mainstream syllabus is not suitable they should contact the Inclusion commission to participate in the separate Special Needs grading system.

The coach/examiner and judoka should work together and in the practical section where a waza is not possible due to any type of restriction or limitation by the judoka, then the waza should be substituted for a waza more appropriate but within the grading criteria. For the verbal part of the exam, the judoka can by any appropriate means, pass on the information required to the examiner. There is no pass or fail and the examination process can take minutes or quite a few days. When

JUDO SCOTLAND

JUNIOR MON GRADE PROMOTION SYLLABUS

the examiner is satisfied that the candidate has completed the requirements for the grade, the promotion is then registered with the JudoScotland and also recorded in the candidates' record book.

A great amount of discretion is given to the coach and/or examiner, with the grading scheme being very flexible in dealing with all needs. All mainstream documentation should be utilised, however, on submission of grade registration to the JudoScotland, the Inclusion Commission is to be copied in (via JudoScotland Head Office attention SN gradings co-ordinator) with any deviations from the syllabus in order to monitor and distribute best practice. Although generally considered best practice that a different person should examine than the coach, it is acknowledged that the candidates own coach is best placed to determine the ability and best time to carry out the exam.

Important Note:

Each candidate taking part in an examination should be relaxed with no tension or stress. If the candidate is unable to complete any section of the examination, their coach will either adapt or replace the waza with one that the candidate is able to complete. The aim is to challenge players according to their individual abilities so that each player is fully able to reach their potential. The candidate should be given the opportunity to develop and demonstrate their skills and understanding of judo and therefore qualify and progress through the higher grades by virtue of their personal efforts. This grading process is a working partnership between coaches, examiners, players and parents/guardians.

BJA TECHNICAL GRADING SYLLABUS BOOK

The BJA Technical Grading Syllabus (TGS) referred to in this document is a separate publication which may be purchased directly from the JudoScotland. The TGS is a photographic guide which is intended to act as a memory aid to assist candidates prepare for grading examinations. The 320-page book is crammed full of coloured photographs which illustrate the basic principles of body placement and the most effective grips. Many of the techniques are additionally illustrated by contest photographs and English translations of the Japanese names are also included. This book is an essential resource for all judoka.

THE JUDO CODE

For each grade up to and including 6th Mon, knowledge of the judo code as detailed in the record book is required. Examiners are required to ensure that candidates have the knowledge and understanding of the Judo Code appropriate to their chronological age and experience in the sport.

ADDITIONAL RESOURCES AND INFORMATION

JudoScotland is developing a range of additional resources to support candidates seeking promotion. These resources will be available to purchase or to download from the JudoScotland website (www.JudoScotland.com).
