Qualifications, Training and Attainments

(Relevant to the position of Non-Executive Director)

I was contract manager which lead to general manager of "Superior Cleaning Services" from 1998 -2013 until I left to start my own business in 2013. I feel that my managerial experience with my time at "Superior Cleaning Services" is more than equivalent to an "HND" in business management.

Background / Work Experience

(Relevant to the position of Non-Executive Director)

My time with "Superior Cleaning Services" will also demonstrate my experience operating within an SME and any other businesses experience needed to fulfil this role. As well as running my own window cleaning business I am now a Senior Recorder for British Judo but predominately work as part of a cohesive team in Scotland to help deliver a high quality service within JudoScotland Grand Prix circuit and other tournaments.

One of my strengths in this role is my focus on customer service and my approachability while dealing with the players, parents and the many coaches in helping them resolve their queries during the running of these events

Knowledge, Skills and Abilities

(Relevant to the position of Non-Executive Director)

Another one of my skills is my knowledge and understanding of the latest IT in our sport and I have been working in partnership with JudoScotland Membership Event Executive to help implement th "Shiai "system in to JudoScotland events. I feel that I have good communication skills, oral and written and running my own business I have good numeracy skills as I am responsible for keeping my own accounts.

I am extremely proud of the work that I do within Judo in Scotland and I feel that I would be impartial and help make decisions for the good of the organisation above any other reasons.

Disposition and Personal Qualities

I devote a lot of my time to the sport of Judo and as well as being a Senior Examiner and attend as many grading as I possibly can, I also with help JudoScotland to train and mentor potential volunteers and encourage them to become technical officials within our sport.

Once again I feel this demonstrates my positive personal qualities, my commitment to the sport and the growth and development of the sport and I feel that standing for JudoScotland board of Directors is the next natural progression in my journey within the sport of Judo.

I have been endorsed by Jidel Judo 93 and ShiShi Kai Judo
