

# The Scottish All Stars Championship

*Developing star qualities in Scottish Judoka*

**Saturday 13<sup>th</sup> May 2023**

The Scottish All Stars Championship focuses on providing a fun experience that appropriately challenges young judoka at this stage in their development. The aim is to maximise the time on the mat whilst introducing more competitive elements of judo.

There are many elements to competitive judo that are beneficial to individuals' development, from the application of contest rules and the consequence of breaking them to the feeling and coping with 'pressure'. Most importantly The Scottish All Stars Championship aims to provide positive experiences!

We understand that taking the next step outside the club environment can sometimes be daunting for both parent and child and we hope that the information provided in this document will help to eliminate some of these pressures.

This event is aimed at Judoka that have experience at events in the sampling stage and are looking to progress. This event is perhaps the next step from a club 'rumble' or an inter club event, with a slight increase in the challenge offered but still with plenty of support. If you are unsure, it is suitable for you, please speak to your coach.
