Keizoku is back for 2023! A Judo Event for Judoka aged 5 – 12 years looking to take the first (or even second) step outside the club.

Keizoku introduces subtle changes to the more traditional judo event to provide a more 'age and stage' appropriate environment in line with the JudoScotland [Player Development Framework](#) so that young judoka can enjoy the thrill of competing, the challenge of doing their best and the enjoyment of playing sport.

The format will allow maximum mat time for each Judoka, creating a positive and fun experience that focuses on the individual's development, with multiple opportunities to win prizes.

This event is aimed at Judoka in the [sampling stage](#) that are looking to take their first (or even second) step out of the club environment. This festival is designed with the child's stage in mind providing fun on and off-the-mat challenges to develop their judo. If you are unsure, it is suitable for you, please speak to your coach.
