Personal Details			
Nominee Name:	Jason Moore		
Club Membership:	Aberdeen Judo Club	JudoScotland Membership No:	2331

Background, Qualifications and Experiences (Relevant to the position of Director)

I have over 35 years experience in the sport in various roles and positions.

As a competitive 5th Dan by age 36 and competitor, I won numerous titles and medals over the years including World Police Gold, 15 time British Police Champion, Scottish champion many times, twice fought for Scotland at British Teams, Medallist at British, Commonwealth and European veterans level, Barbados International Champion, Heart of England Silver Medal, Malta Open medallist, fought in 5 European Police Championships, Police Scotland Sports person of the year, Aberdeen Sports hall of fame to give you a snapshot of my competitive history.

I developed my skills as a Coach, now Head Coach at both Aberdeen Judo Club and Turriff Judo Club. I am almost finished the Level 3 Coaching course in Judo, in the current Senior Examiner Training pool and looking to pursue further courses of Judo development as my competitive career nears its end.

Below are some of the qualifications I feel will be of use in the role –

Member of the Police Sport UK Technical Commission (making decisions on all matters relating to the British Team, events and funding)

Chairman for the Scottish Police Judo Section

Strength and conditioning Coach for the British Police Team

HND in Sports Coaching and Sports Development

HND in Teaching, Training and Assessment

A Bachelor of Arts Degree (with Distinction) in Teaching in Higher Education

Qualified Personal Trainer

Knowledge, Skills and Abilities (Relevant to the position of Director)

In addition to my Judo related skills and experiences, for the last 7 years I have worked as a Detective in the National Child Abuse Investigation Unit for the Police Service of Scotland. This is a highly valuable and rewarding role, which entails a significant amount of partnership working with the protection of children in Scotland a priority. This has provided me with significant experience in working with a broad spectrum of professionals to ensure excellent service delivery in a high risk area of work.

I have spent many years working on the PSUK Commission which has provided me with a great deal of insight and experience in dealing with the frequent challenges within a sporting section.

The role has required me to consider the various activities of the Police Section whilst being acutely aware of financial restrictions. I have been required to attend frequent meetings to discuss the appropriate management of the team, to consider means of developing the squad and how to generate additional funds. I have worked with the PSUK Commission where we strive for success and provide top level training events which will both provide excellent training and development for those that attend, but whilst also maintaining the excellent reputation Police Sport UK currently has.

As Chairman of the Scottish Police Judo Section, I have responsibility for co-ordinating and managing meetings for the section which will consider funding, events and how to best improve the team we currently have but also increase participation numbers of the section.

Disposition and Personal Qualities

For most of my life I have been dedicated to judo, previously as a competitor but now as someone who wishes to volunteer more time in the growth of the sport. Now as my competitive career slows down I wish to use the same dedication and tenacity to give back to the sport which has given so much to me.

I have excellent written and communication skills and a keen eye for Problem solving, key attributes of my current role within the Police.

I am motivated to continue to play an active role in developing judo. Having taken over the responsibilities for Aberdeen Judo Club, the senior section has grown from very low numbers pre COVID to now boasting in excess of 30 members. As Head Coach also at Turriff Judo Club, I believe I am a good leader to both the children and adults at the club, many of which are entering and winning medals at Grand Prix and National competitions.

I am confident my abilities would be a valuable addition, should I be successful in my application to the board.
